

[TOWN] VULNERABILITY AUDIT

This information is being collected as part of updating []'s Hazard Mitigation Plan, but also to spark your own thinking about preparation for future disaster events. There will be public meetings we hope you will attend during this year to provide feedback for the plan. We will meet with the Selectboard, Planning Dept, Road Crew, Emergency and Fire Dept on town buildings, roads and public facilities, but want your input on the following. Please use the back of the pages for more space. Please return to the Planning Dept, [] or Library for us to pick up.

People, Homes and Business

1. Do you know who takes charge of emergency action in Hartford?
Who would take charge of support outreach, such as food, beds and clothing?
Who is likely to come forward to pull the community together?

2. Post-Irene, do you have low (), medium() or high () expectations that the community will come together to meet people's needs as well as possible?

3. Do you have ideas on how communication can be handled with people displaced from their homes, landline phones and businesses?
How can contact information be collected and where should it be posted?

4. Where are the shelters, available to provide heat, power and food during an emergency?

5. How self-reliant are you – do you have resources sufficient to provide critical food and heat for several days if your house or neighborhood is cut off?

6. Do you have or know someone who has equipment you can use, like an ATV or generator, to help you and/or your neighborhood get thru several days of no power and disconnection from main roads? ()Yes () No () Don't Know What equipment do you think you might need?

7. Does the town have strategies in place to prevent or reduce buildings and storage being placed in risky locations in the future? ()Yes () No () Don't Know

8. Do you have a checklist for what you need to have on hand if power or your water supply is lost? ()Yes () No Do you have important items, such as prescriptions, computer back-up or key personal documents, in a location where you can collect and take them with you in a hurry? ()Yes () No () Don't Know

Has answering this survey triggered thoughts about preparations you and your community can make to be better prepared for future disaster events?

() Yes () No

Thank you for taking the time to fill this out, and to return it to []! Please join us for a public meeting on [], 2013 at [] pm at the Town Hall to pool ideas.
